

FSR Schooling Show in September!

We had such a fantastic time at our schooling show this past May that we are doing it again!

Show classes will include dressage, stadium jumping, and cross country!

We will also have a special **costume class**, so start planning your horsey dress-up now! I know all you Arabian owners are dying to deck out your beauties Arabian style! There's always the classic Cowboy or Indian get-up. You could even come as a Medieval Knight or a Fairy on a Unicorn!

The possibilities are endless! (Personally, I've been wanting to see someone add wings to their saddle and come as Pegasus.) Let your imagination soar! Find your costume, come out for the day, and have fun showing off with us.

JULY 2010

FOREVER SKY RANCH

Upcoming Events!

On **JULY 17th**, at **4:00** in the afternoon, Forever Sky Ranch will have its annual

SUMMER PARTY!

Last year we celebrated our grand opening. This year we celebrate our **First Anniversary!**

We can't WAIT to share an evening of food and fun with all the people who have made FSR the wonderful place that it is. We also look forward to seeing new faces, so if you haven't had a chance to visit the ranch, come by on Saturday the 17th and help us celebrate!

Check us out on the web--

--Upcoming events!

Equine Massage Clinic! October 9th, 2010

We are excited to have the opportunity to host one of Dennie Semore's fantastic massage clinics at FSR. Come learn about the theory of massage, the construction and action of equine muscles, equine anatomy, common injuries, and the fundamentals of safe equine massage and stretching. All work is hands on. Registration deadline is September 15th. Space is limited, so register now!

Dennie has an amazing ability to watch a horse trot by and know exactly what that horse's body needs. Take advantage of the chance to learn from Dennie and be able to apply that knowledge to help your own equine friend feel better, move better, and perform better.

Dennie is certified through Equissage, the oldest and leading trainer of animal massage therapists in the world. She has also received advanced education thru Dr. Inman in VOM technology and Mike Scott who is one of the country's top equine body workers. Mike Scott endorses the use of his materials for Dennie's classes, which is not only a great honor but also a credit to Dennie's reputation in the field.

For more information or to fill out a registration form, you can visit www.bfreequinemassage.com

*The cost of the clinic is \$225.00, which includes all materials.

WEEKEND GROUP LESSONS

The perfect weekend activity!

Group lessons help both horse and rider. Students get to receive feedback on their own riding while also being able to watch others ride and to hear the feedback those students receive. Sometimes it helps to watch what someone else is doing (or not doing) to understand more about what you need to do on your own horse to improve your own riding.

Lessons alternate between Saturdays and Sundays to accommodate all schedules. Lessons are 1 1/2 hours, \$25 per student.

Bonus!! After each lesson, everyone heads out for a short trail ride! It doesn't get more fun than that!

*School horses are available on a first come first serve basis. There is an extra \$30 fee for using a school horse.

For more information, call Alexis at 301-639-0327
